

*What's working?*

*What's not working?*

Living with Lizzy

Going to see live music

My photography – taking photos of animals in the countryside

I enjoy life, and I enjoy being with people

Seeing friends at the book club

My connection with the zoo. Love animals

The gym – I feel fit!

I am in a new place and feel a little lonely when Lizzy is at work

I have some voluntary work, but would like something more permanent and paid

I'd like to get to know more photographers, so I can talk more about my passion

Lizzy and I would like to get to know a few more local people.

*What needs to happen next to build on what's working and change what's not working?*
