

Decision Making Agreement

Important decisions in my life

Whether I go to football or youth group on a Tuesday night.

What to wear for special occasions.

How I must be involved

Mom talks it through with me. I give mom leaflets about this from school and remind her about it.

When we are going out somewhere nice I choose my clothes. Sometimes I want to wear shorts. If it is cold my mom will talk to me about wearing pants so I do not freeze!

Who makes the final decision?
